Notifications: April 15, 2017
Final Paper Submission: May 01, 2017
Conference dates: July 10-13 2017

IWOBI 2017. Topics included but not limited to

Bio-inspired Systems
Applications of Pattern Recognition
Artificial Intelligence Techniques
Bioinformatics
Machine learning
Clustering
Data Mining
Fuzzy and Hybrid Techniques
Image Coding, Processing and Analysis
Decision theory
Neural Networks
Signal Processing and Analysis
Video analysis
Natural sounds and Speech Recognition
Intelligent Networks
Computational Intelligence
Biomathematics
Biostatistics
Perceptual modelling
Neurocomputational formulations
Neuro-engineering
Remote Sensing
Expert Systems
Ambient intelligence
Models of biological learning
Intelligent Enterprises
Iberian languages
Sustainability
Modeling of behavior

Special Issues: pending of final confirmation
